

MEMORANDUM FOR: See Distribution

FROM: Lieutenant General Edward J. Heinz, USAF
Director, Intelligence Community Staff

SUBJECT: Officer Evaluation System (OES)

REFERENCE: Chief of Staff of the Air Force's Letter, Same Subject,
dated 16 March 1988

1. By now all Air Force officers should have received the above referent letter from General Welch. This letter briefly explains the revisions our evaluation system is about to undergo. The Air Force District of Washington (AFDW) is now sponsoring a briefing team from Military Personnel Center (MPC) who will fully explain the changes and effects that these changes will have on the system, on you, and on your future promotions. General Welch would like all Air Force officers to view this presentation and has taped a personal introduction for the briefing.

2. I have arranged with AFDW to have the MPC briefing team come to the Community Headquarters Building on Tuesday, 24 May 1988. The presentation will be given in room 6W02 at 1030 hours. The briefing will last about an hour, with an additional hour reserved for questions. Other Air Force officers from outside of the DoD system (NSC Staff, Vice President and President Staffs and others) will also be present for this briefing.

3. I recommend ALL Air Force officers assigned to and/or working for the IC Staff make arrangements to attend this briefing. The point of contact on our Staff is ; please contact him for further details and to confirm your attendance.
